Men of science... can "considerably advance the welfare of marriage and the family and also peace of conscience, if by pooling their efforts they strive to elucidate more thoroughly the conditions favorable to a proper regulation of births." It is supremely desirable... that medical science should by the study of natural rhythms succeed in determining a sufficiently secure basis for the chaste limitation of offspring. In this way scientists, especially those who are Catholics, will by their research establish the truth of the Church's claim that "there can be no contradiction between two divine laws—that which governs the transmitting of life and that which governs the fostering of married love." FROM THE RECTOR – Sixth Sunday after Pentecost

I often speak about our place as Catholics in the world in which we live and often times do so in a way that reminds us of the conflicts we will inevitably enter into with the world precisely because of what we believe and how we choose to be governed. There are so many causes of the current turmoil both within the Church and the world. However, as believers in truth and children of Holy Mother the Church we are acutely aware of the destructive power of sin and the need to strengthen ourselves against temptation in order overcome sin. Of course, we are able to cooperate with the grace of God because of what happened to us at our baptisms and what continues to happen to us when we participate in the Holy Sacrifice of the Mass and receive our Eucharistic Lord. However, we are also aware of the times we stumble and fall and immediately return to God’s graces through the sacrament of confession. We never wallow in our sins; instead we seek out the mercy of God and implore His forgiveness and redemptive love. In this we are different from the world. The modern age has convinced man that sin is good and there is no need for redemption and reconciliation. Steeped in sin only serves to draw the modern age into more sin all the while refusing to accept that saving hand of God. This is not true of everyone, but it is sadly the case with the majority of the world in which we live. To transform men’s hearts truly only happens through allowing God to continually transform each of us. We must strive daily to avoid temptations that lead us to sin and approach the throne of mercy when we fail. We must always rejoice in our baptismal dignity and nourish it through the Most Holy Eucharist!

GREGORIAN MASSES

The practice of Gregorian Masses is an ancient tradition in which it is held in faith that a continuous series of thirty Masses would release the soul of a deceased person from the punishments of Purgatory. There have been two requests for the Traditional Latin Mass for Gregorian Masses. I will be celebrating one set of Gregorian Masses in August and another set in the month of October. I appreciate your patience if you have submitted an individual Mass intention. There are so few places that celebrate the Traditional Latin Mass and have the ability to do the Gregorian Mass and the Oratory is one of these few places. Please know that I appreciate your generosity in requesting Mass Intentions and your patience as you wait for those Masses to be fulfilled. Please continue to pray for All the Poor Souls.

IN GRATITUDE

I want to thank everyone for the prayers during my recent knee surgery. Thanks also to all who brought food and made sure I had all the things I needed. I am most grateful to the whole Oratory for their solicitude and concern for the Rector. All is going well, and I am making the progress that is expected. This time of recovery has revealed to me yet again how blessed I am truly am to serve as your rector. Each of you through your generosity, your prayerful witness, and love of Holy Mother Church make me a better priest. Please know, even if I at times fail to express it, how dear each of you are to me. You are always in my daily prayers. Thank You!

UPCOMING PROJECTS

As the Oratory continues to grow, so do the needs of our community and the prayerful space we call our home. At present, work is being done on the breezeway between the Rectory and the Sacristy. Work is also being done on the 3rd floor of the school to provide more learning space and to make the general ambience more hospitable. Another project, at its beginning stages, is work on the kneelers of the Church. Many of the kneelers are currently cracked; we are awaiting a bid from the upholsterer as to the cost of replacing all the kneelers in the Church. This information is shared in order to keep everyone informed as to the happenings at the Oratory and also to alert you to the possibility of financial assistance for this particular project. In advance, your generosity is always much appreciated.

A SECOND BATHROOM

There has been discussion about the possibility of a second bathroom in the back of the Church. Unfortunately, at this time it is not possible. The general contractor explained that the current space would not allow a new bathroom that would also comply with the ADA.

LIGHT FIXTURE IN CHURCH

Most of you have noticed, by now, that the light near the high pulpit is out. We are not ignoring the issue and are trying to get it repaired. Unfortunately, it is not a simple fix of replacing the bulbs. The fixture is not getting any power to it which means the electricians will need to bring in a lift since they cannot solve the mystery with our scaffolding, which was not tall enough. We have received the bids and are in the process of scheduling the repair. In advance, thank you for your patience as we work to fix the problem.

ADDITIONAL HOLY MASS:

In order to provide everyone an opportunity to be present at Holy Mass on Sunday there will be an additional Holy Mass at 6:45 am. The 8:00 am and the 11:30 will continue as normal. At the 6:45 am and 8:00 am Low Masses there will be no homily given. At the 11:30 am High Mass a brief homily will be given. At this juncture, I am asking the faithful to consider being present for the 6:45 am Low Mass so that we will be able to keep social distancing, and all be present for Holy Mass. Also, at this time there will be no sign-up sheet for Mass. However, if we arrive at the situation where there are more people at 8:00 am or 11:30 am it could necessitate people signing-up prior to Sunday Mass and once a Mass time is filled with the allotted number of parishioners you would have the opportunity for a second or third choice. Again, at this time I am relying upon the faithful to spread themselves out over the three (3) Holy Masses available.
