**COLTON FAMILY**

Kristen’s surgery for thoracic outlet syndrome on January 8 went very well. The surgeon accomplished all his objectives without any complications during the procedure. During recovery, she unfortunately developed a complication that required a longer stay in the hospital. But she was finally able to come home late in the evening on January 15, and on the 17th returned to the surgeon's office for a final out-patient procedure concluding the process. We believe she has successfully avoided the possible complications of that last step, and she can now turn her attention to rest, pain management, and recovery at home. We are truly overwhelmed by the selfless generosity of so many of our fellow parishioners and friends and wish to extend our thanks to all of you for your prayers and offers of help. Please continue to remember us in your intercessions and thanksgivings. *Deo gratias!*

**USHERS**

In order to assist the faithful during the reception of Holy Communion, the ushers are here to help those in physical need kneeling down and then standing back up from the rail. If you are in need of assistance, please ask one of the ushers for assistance as you approach the rail and they will be able to assist. If you are approached by an usher and do not need assistance, please to not take offense at they assistance they are offering.

**BULLETIN UPDATE**

It is hoped that our first bulletin will appear on 21 April 2019, Easter Sunday. We are still in need of support in advertising for the bulletin. Again, the company assisting with the bulletin (Sunday Missal Service) would like to approach businesses that would have an affiliation with the Oratory. If you own your own business and would be willing to advertise on our bulletin, please contact me to let me know. Also, if you know of businesses that would be

willing to advertise on our bulletin and support the work of the Oratory, please contact Mark Westhoff at 618/772-5090 or [mawesthoff@aol.com](mailto:mawesthoff@aol.com).

	<b>Actual</b>	<b>Budgeted</b>

Extraordinary Gifts*	24,590	24,000	+590

\* Matching gifts and gifts for specific one-time expenses

I want to begin by thanking everyone for their wonderful support during the first six months in our new home. I am continuously overwhelmed by the generosity of the Oratory and I am grateful to God for each and every one of you. As you can see from the above numbers the community has been successful in both our regular offerings and in extraordinary gifts. I want to encourage those who are able and willing to do so to give toward the extraordinary gifts.

By the end of January, we will have accomplished the initial list of needs for the Oratory and I anticipate as we continue to grow there will be other projects that we will need to address. Our on-going financial health and security provide a strong measure of solidity for our future. Again, thank you for your generosity.

### **NOTHING SUPERFLUOUS**

**Nothing Superfluous led by Fr. James W. Jackson, FSSP: A seminar on the theological basis and beauty of the Traditional Latin Mass; February 8 – 10, 2019**

Are you a part of the TLM movement that is spreading across the US? Have you wondered about the Latin Mass but have never attended one or are too young to remember it? Does it seem foreign and too complex? This seminar will be beneficial for the full spectrum: Those who attend the TLM to those who just want to learn more about it. The Traditional Latin Mass community has been growing as people seek the Mass celebrated in the former rite.

Fr. James W. Jackson, FSSP has written a comprehensive book, *Nothing Superfluous, An Explanation of the Symbolism of the Rite of St. Gregory the Great* which outlines the Extraordinary Form of the Roman Rite. He explains the theological meaning behind the art, architecture, words and gestures of the Rite of St. Gregory. It is a clear guide to anyone seeking to understand more fully the beauty of the Holy Mass.
