GOOD SAMARITAN MEAL MINISTRY

Derek and Erin Flannigan are excited to announce the birth of their new little boy. Please welcome Simon Fulton Flannigan into our community. He was born on 10 September 2018 weighing in at 6 lbs., 1 oz.

We are going to make some fresh and frozen meals to be brought on Sundays for Erin. Please note you are making meals for 2 adults and 2 children. There are no food allergies and no food aversions. Feel free to hand off the meals directly to the Flannigans or store in the Oratory freezer/refrigerator in the St. Joseph room. Many thanks!!! DONATIONS & MATCHING GIFTS

We have received another matching gift donation. A donor has provided [\\$2,000](#) for a matching gift fund for the Oratory. Please donate to this effort by including, "Oratory matching gift fund " in your check memo and your donation will be matched up to a grand total of [\\$2,000](#). I remain extremely grateful for the generosity of the whole community especially as there have been unanticipated expenses related to our move here to St. Luke the Evangelist. In October there will be published an explanation of both what has been raised thus far for our on-going projects and a list of the expenses related to the first several months of our presence here at St. Luke's.

ADULT FAITH FORMATION

In order to be able to continue to provide quality Adult Faith Formation, this semester will be used to coordinate our best efforts for next semester. Those who have expressed interest in assisting will be contacted for a meeting to discuss the options/opportunities available to us for faith formation. Thank you in advance not only for your assistance but also for your patience and interest as we move forward.

MASS STIPENDS

Thank to you all those who have made requests for the Mass Intentions. The intentions are normally celebrated in the order that they have been received. At this juncture, the Oratory is still satisfying intentions received from April and May of this year. Thank you in advance for your patience as you wait for your intention to be satisfied. Also, if you have a particular date request, please include that information at the time of your request. All effort will be made to honor that request.

CCD INFORMATION

CLASSES BEGIN ON 7 OCTOBER 2018

CONFESSION – ANOINTING OF THE SICK – HOSPITAL VISITS

If you are unable to physically take advantage of the sacrament of confessions, please contact the Rector to arrange a time and place convenient for you.

Also, if you are aware of someone who is ill in our parish family or you yourself are struggling with illness and would like to be anointed, please contact the Rector. Anointing of the Sick should not be postponed until the very end and those with chronic, serious illness may be anointed more than once.

Finally, if you are in the hospital and/or know of a member of the community in the hospital, please inform the Rector so that he can visit them at the earliest possible convenience.

POSTURE FOR HOLY MASS

I was recently asked about proper postures for the faithful during the celebration of the Holy Sacrifice of the Mass. To my knowledge, there are no particular rules governing the postures of the lay faithful; however, it is suggested for a point of reference, that the lay faithful follow the postures of the servers – standing, kneeling and sitting when they do. There are three times in the Holy Mass where the nature of what is happening will dictate the posture: At the proclamation of the Holy Gospel, we stand. During the praying of the Canon we kneel. For the reception of Holy Communion, we kneel and receive the Lord on the tongue. If we encounter differences, let us be patient with and respectful of the fact that people have received different instructions regarding postures at Holy Mass.
